Information on Indiana's

CHOICE Program

The Family and Social Services Administration implemented the Statewide IN-Home Services Program in the early 1990s. The Area Agency on Aging (AAA) case management system provides individuals the point of entry into this program. This makes services accessible for individuals and families through a coordinated and integrated approach.

The AAA office for Daviess, Knox and Pike counties is Area 13:

Generations
P.O. Box 314, Vincennes, IN 47591
(812) 888-5880 or (800) 742-9002

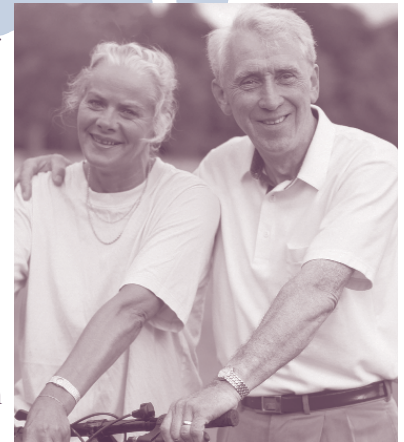

The AAA office for Gibson County is Area 16:

Southwestern Indiana Reg. Council on Aging
16 West Virginia Street, P.O. Box 3938
Evansville, IN 47737-3938
(812) 464-7800 or (800) 253-2188

One component of these services is the Community and Home Options to Institutional Care for the Elderly

and Disabled (CHOICE) program. To be eligible for CHOICE program services, an individual must be a resident of Indiana, age 60 years of age or older, or of any age with disabilities and unable to perform two or more activities of daily living as determined by an assessment using the Long Term Care Services Eligibility Screen.

Services of the CHOICE program include attendant care, homemaker, home health services and supplies, respite care, home delivered meals, adult day care, transportation and other services as needed. Call your local AAA office to answer your questions.
